Tags will be cut off at check-out, so please write the information legibly at least one inch below the safety pin. Please see the illustration for information that should be included on each tag. SHOES: Need to be clean, like new, and packaged in clear Ziploc type bags with the tag secured to the shoes.

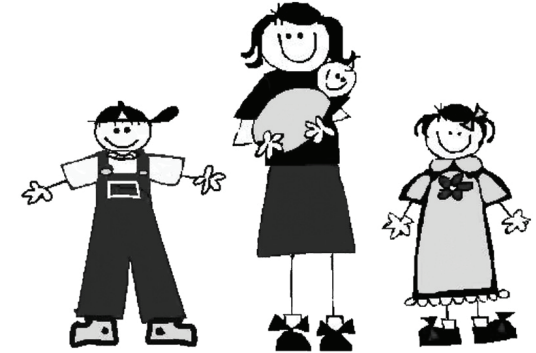

TOYS/EQUIPMENT: Use packing/masking tape on top and bottom of tag to securely attach tag to item. Do not tape over the writing on the tag.
